A short introduction to our work

WHO WE ARE

A small ministry, quietly at work.

Jeevanam is a husband-and-wife-led community trust serving families across Hyderabad — through free medical camps, home prayer gatherings, small charity work, and gentle care for the sick and the elderly.

We are open to everyone — every faith, every background, every story.

WHAT WE DO

Medical camps

Free check-ups, medicines, rural clinics — no questions asked.

Home gatherings

Small circles in living rooms — tea, stories, a quiet word of hope.

Among the poor & sick

Groceries, medicine, dignity — brought to forgotten doorsteps.

Prayer & counsel

For anyone carrying something heavy. Confidential and gentle.

Small charity work

School fees, hospital bills, widows' support — tiny amounts, real change.
